SoUL NEST

SoUL NEST is a cozy place to dream in.

Body is feeling embraced and protected by gold curvy lines and pampered on soft feathers cushions, while Soul is free to explore the universe of total relax, taking a luxury break.

SoUL NEST can be a swinging or a steady seat, choosing from hanging or placing it on the floor.

ANNA BARILE & ANTONIO OTTOBONI

8&A Architetti is an architecture and design studio based in Milan, specialized in bespoke projects for clients including homes, exhibition spaces, stores, and offices. Founded by Anna Barile and Antonio Ottoboni, the Studio's expertise spans renovations, sustainable architecture, interior design, custom furniture design, and consultancy for art acquisition due to their decades-long familiarity with contemporary art scenery.

At the core of their practice lies a commitment to excellence in design, meticulous execution by skilled artisans, and a relentless pursuit of innovative materials and technologies. Their goal is to elevate each client's vision beyond expectations.

Since 1996, interdisciplinary approach has shaped their architecture projects, fostering ongoing collaborations with artists, musicians and creatives.

In every project, whether it is a residence, retail space, showroom, or art gallery, thorough attention to detail ensures that most furnishings and lighting are custom-designed to evoke new emotions and to seamlessly integrate with the environment.
